ANNOUNCEMENT

ANNUAL REPORT

Attached is the Garratt's Limited Annual Report for the year ended 30 June 2008.

A copy of the Report and the Notice of Annual General Meeting will be sent to shareholders in late September 2008.

Stephanie Noble
Company Secretary

GARRATT'S LIMITED

ABN 93 000 003 725

**ANNUAL REPORT
2008**

CHAIRMAN'S REPORT

Dear Shareholder

One hundred years is a long time, in anybody's book. That we have been operating continuously for so many years when much bigger companies with substantially larger resources fell by the wayside, especially during sometimes extremely challenging political and economic circumstances, must say something about the tenacity, commitment and hard work put in by all the people in the Company. That, of course, includes the shareholders – without whom there would be no company.

May Garratt's Limited see many more years!

It is particularly pleasing for me to report what your Board sees as commendable results for the year ended 30 June 2008. We ended our centenary year with a well-shaped balance sheet and insignificant debt.

Consolidated profit from operations was \$6,008,413. This figure includes adjustments in respect to accounting estimates detailed elsewhere in this report. Excluding these adjustments, the consolidated profit after tax was \$3,541,656 (2007: \$317,691).

Earnings before interest, depreciation and amortisation (EBITDA) were \$5,449,643 compared to \$1,018,204 for the year ended 30 June 2007.

We are announcing an unfranked dividend of one cent per share. Combined with the dividend paid earlier in the year, the total dividend for the year will be two cents per share.

Both arms of our operations, education and fasteners, brought in substantially higher profits than in the previous year.

Excluding the \$2,466,757 from a change in accounting estimates, education contributed \$2,611,514, up 133.5% on the previous year. The education team is being expanded to meet the challenges and demands of the growth.

Premier Fasteners improved by 60%, recording a contribution of \$925,501. We continue to endeavour to improve the contribution from the fasteners business notwithstanding the objective to specialise in education.

Plans are in place to expand the education operations, interstate and overseas. We are looking at organic growth, partnerships as well as acquisitions. We are in a sector that is doing well. Education services accounted for \$12.5 billion in Australia's export income in 2007, making it Australia's third-largest export industry after coal and iron ore. It was the largest services export industry.

I would like to thank the Group Managing Director, the directors of the group companies, management and all staff for an excellent performance for the year.

May I also thank all shareholders for their support.

Neville Thomas Cleary
Chairman
1 September 2008

GROUP MANAGING DIRECTOR'S REVIEW

It is pleasing to be able to report significantly improved results after some very difficult times. I am grateful to my colleagues who stayed the course. It is a small team, sometimes punching above its weight. Thank you for your loyalty and commitment.

It will be challenging for education to maintain the growth rates that were achieved over the past three years. To address that challenge, we have to recruit, and retain, good quality people. In calendar 2007, international education was Australia's third largest export. Though it is expected that the education sector will continue to grow, the worldwide economic slowdown may dampen such an outlook.

We have raised our profile in the education sector and have received good coverage locally and overseas. After ten years, the 'Academies Australasia' brand is winning recognition. We will continue to commit substantial resources to student facilities and services, and also to promote our brand and business, around the globe.

Revenue in the fasteners business also grew substantially – by 27.6%. The fasteners team is similarly challenged to maintain its revenue growth rates. We are hopeful that there will be further growth.

I would like to acknowledge the guidance and counsel offered by my fellow directors, including the directors of the group companies, and to thank all our customers, students, teachers and business associates for their support during the year.

Christopher Elmore Campbell
Group Managing Director
1 September 2008

CORPORATE GOVERNANCE STATEMENT

At the date of this report, and throughout the year, the Board comprised three directors, namely, Neville Thomas Cleary (Chairman, Independent & Non-Executive), Christopher Elmore Campbell (Group Managing Director, Executive) and Chiang Meng Heng (Non-Executive).

The Board is committed to the highest standards of corporate governance and endorses the Australian Stock Exchange ('ASX') Corporate Governance Council's Principles of Good Corporate Governance and Best Practice Recommendations ('BPR'). However, given the small size and composition of the Board, the small size of the Company and its activities, and its cost structures, it is neither reasonable nor practicable to comply with certain BPR or to increase the size of the Board at this time.

As required by the ASX, this corporate governance statement discloses the extent to which the Company has followed each of the ten principles stated in BPR.

Principle 1 – Lay solid foundations for management and oversight

Roles and Responsibilities of Board and Management

The Board is responsible for the overall corporate governance of the Company including setting its strategic direction and performance objectives, increasing shareholder wealth, meeting ethical and regulatory obligations and managing business risk.

Key responsibilities include:

- appointing and removing the Managing Director;
- final approval and monitoring of corporate strategies and performance objectives;
- monitoring senior management's performance and implementation of the Board approved strategies;
- reviewing and ratifying systems of risk management and internal compliance and control;
- approving and monitoring the progress of major capital expenditure, capital management, and acquisitions and divestments;
- approving and monitoring financial and other reporting; and
- any other matters required to be dealt with by the Board from time to time.

To assist in the execution of its responsibilities, the Board has established an Audit Committee and a Remuneration Committee.

Responsibility for the day-to-day operation and administration of the Company is delegated by the Board to the Managing Director and members of the senior management team.

Principle 2 – Structure the Board to add value

Board Composition

The skills, experience, expertise relevant to the position of each director who is in office at the date of the annual report and their term of office are detailed in the directors' report.

The name of the independent director of the company is:

Neville Thomas Cleary (Chairman)

When determining whether a non-executive director is independent the director must not fail any of the following materiality thresholds:

- less than 10% of company shares are held by the director and any entity or individual directly or indirectly associated with the director;
- no sales are made to or purchases made from any entity or individual directly or indirectly associated with the director; and
- none of the director's income or the income of an individual or entity directly or indirectly associated with the director is derived from a contract with any member of the economic entity other than income derived as a director of the entity.

Independent directors have the right to seek independent professional advice in the furtherance of their duties as directors at the company's expense. Written approval must be obtained from the chairman prior to incurring any expense on behalf of the company.

Chiang Meng Heng and Christopher Elmore Campbell do not meet the BPR definition of independence because they are substantial shareholders, each with relevant interests in excess of 10%. Nevertheless, the Board believes that Chiang Meng Heng and Christopher Elmore Campbell can, and do, make judgements in the best interests of the Company. The Board cannot meet the BPR requirement that there be a majority of independent directors.

Nominations Committee

Except where a director is elected by shareholders, the Board determines the appointment of new directors. There is no Nominations Committee as such.

Procedure for Selection and Appointment of New Directors

The structure of the Board is determined having regard to the following criteria:

- The Chairperson should be a non-executive director.
- A majority of the Board should be non-executive directors.
- The roles of Chairperson and Managing Director should not be exercised by the same individual.
- The Board should comprise of directors with an appropriate range of qualifications and expertise.

The following principles and guidelines are adhered to in the selection and appointment of new directors:

- The Board is required to have a broad range of skills, experience and commercial expertise to ensure that it is able to discharge its mandate effectively. Therefore, when an individual is nominated for consideration as a director, their selection will depend upon an evaluation of what skills, experience and commercial expertise they would bring to the Board and how these skills would complement or enhance the Board's effectiveness.
- The composition of the Board needs to be conducive to making decisions expediently and in the best interests of the Company as a whole (rather than of individual shareholders or interest groups). Therefore, the size of the Board is limited so as to encourage efficient decision-making.
- Individuals being considered for non-executive roles will be required to provide the Company with details of their other commitments and an indication of the time involved. Candidates must be able to satisfy the Board that they will have sufficient time to meet what is expected of them.
- The Constitution of the Company provides that the directors may at any time appoint any person to be a director. That person shall hold office until the end of the next following general meeting and shall be eligible for election at that meeting.
- The Constitution of the Company provides that at every general meeting one-third of the directors or, if their number is not a multiple of three, then the number nearest to one-third, shall retire from office and be eligible for re-election.

Principle 3 – Promote ethical and responsible decision making

Code of Conduct

The Company has established a Code of Conduct to guide the directors and key executives as to the practices necessary to maintain confidence in the Company's integrity and the responsibility and accountability of individuals for reporting and investigating reports of unethical practices. The Company and its directors, managers, employees and consultants are expected to act with high standards of honesty, integrity, fairness and equity, striving at all times to enhance the reputation and performance of the economic entity as a whole.

The Code of Conduct largely follows that of the Australian Institute of Company Directors and covers the main areas of: Conflicts of Interest; Confidentiality; Fair Dealing; Protection and Use of the Company's Assets; Compliance with Laws and Regulations; Reporting Unlawful/Unethical Behaviour; and Compliance with Legal and Other Obligations to Legitimate Stakeholders.

Share Trading Policy

The Company has in place a share trading policy for directors, key executives or any other employee who is likely to possess inside information (defined as information concerning the Company's financial position, strategy or operations which, if made public, would be likely to have a material impact on the price of the Company's securities).

Shares are to be traded in accordance with the guidelines stipulated by the Corporations Act and the ASX Listing Rules. The Company identifies and raises awareness about the prohibitions under the law and directors are made aware of their continuous disclosure responsibilities and obligations. The Company does not stipulate "trading windows" or "black-out periods".

Principle 4 – Safeguard integrity in financial reporting

Audit Committee

The names and qualifications of those appointed to the Audit Committee and their attendance at meetings of the committee are included in the directors' report.

The Audit Committee cannot meet the requirements that it be chaired by a director who is not the Chairman of the Company, that it consists only of non-executive directors, that it have a majority of independent directors and that it have at least three members.

The role of the Audit Committee is to advise on the establishment and maintenance of a framework of internal controls and appropriate ethical standards for the management of the Company. It also gives the Board of Directors additional assurance regarding the quality and reliability of financial information prepared for use by the Board in determining policies or for inclusion in the financial report.

The Audit Committee reviews the performance of the external auditors on an annual basis and meets with them during the year to discuss the audit plan, to review any significant issues that have arisen during the period and to review the nature and impact of changes in accounting policies. Prior to the announcement of results, the Audit Committee meets with the external auditors to review the draft financial report and the audit and make the necessary recommendation to the Board for the approval of the financial report.

To ensure management accountability of financial reporting, the Managing Director and the Group Finance Manager state to the Board in writing that:

"The Company's financial reports present a true and fair view, in all material respects, of the Company's financial condition and operational results are in accordance with relevant accounting standards."

When considering the selection and appointment of an external auditor, the Audit Committee and Board considers several factors including the professional qualifications and standing of the external auditor and the expertise and experience of the engagement partner, particularly in respect to the Company's operations.

During the year all the Directors were members of the Audit Committee. The Group Finance Manager and the external auditor also attend Audit Committee meetings.

Principle 5 – Make timely and balanced disclosure

Continuous Disclosure

The Company has adopted a policy to ensure that it complies with its continuous disclosure obligations under the ASX Listing Rules which state that:

Once an entity is or becomes aware of any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's securities, the entity must immediately tell ASX that information.

Directors and senior management must immediately notify the Managing Director if they become aware of any information that should be considered for release to the market. The information will be reviewed and, if considered material, the appropriate disclosures will be made to the ASX.

The Company will not release any information to any other party until acknowledgement has been received from the ASX that the information has been released to the market.

Principle 6 – Respect the rights of shareholders

Shareholder Communication

The Company aims to ensure that shareholders are informed of all major developments affecting the Company's state of affairs. Information is communicated to shareholders on a regular basis by means of continuous reporting and half yearly and annual reports. The Board ensures that these reports include all relevant information about the operations of the Company, changes in the state of affairs of the Company and details of future developments.

All documents that are released publicly (i.e. ASX Announcements and Annual Reports) are made available on the Company's web site (www.garratts.com.au).

The Board encourages full participation of shareholders at the Annual General Meeting to ensure a high level of accountability and identification with the Company's strategy and goals. Important issues are presented to the shareholders as single resolutions. The Board also requests that the external auditor attend the Annual General Meeting and be available to answer shareholder questions about the conduct of the audit and the preparation and content of the auditor's report.

Principle 7 – Recognise and manage risk

Risk Management and Internal Compliance and Control

The Board has established policies on risk management that include oversight of the risk management system, identification of business and financial risks, risk management/compliance and control, and assessment of effectiveness. The Audit Committee assists the Board in carrying out this function.

To ensure management accountability, the Managing Director and the Group Finance Manager state in writing to the Board that:

"The statement given in regard to financial reporting is founded on a sound system of risk management and internal compliance and control which implements the policies adopted by the Board; and the Company's risk management and internal compliance and control system is operating efficiently and effectively in all material respects."

The Board acknowledges that the policies are designed to provide reasonable but not absolute protection against errors and irregularities and that they are intended to identify control issues that require the attention of the Board or Audit Committee.

The Board reviews the implementation of the risk management and internal compliance and control system on an annual basis.

Principle 8 – Encourage enhanced performance

Performance Evaluation

The Board conducts an evaluation of its performance, policies and practices annually. The review includes an examination of the effectiveness and composition of the Board, including the required mix of skills, experience and other qualities which the non-executive directors should bring to the Board for it to function competently and efficiently; a review of the Company's strategic direction and objectives, and an assessment of the corporate governance practices. The Board also conducts an annual review of the Managing Director and key executives.

Principle 9 – Remunerate fairly and responsibly

Remuneration Policies

The Remuneration Committee reviews and makes recommendations to the Board on remuneration packages and policies applicable to the Managing Director, senior executives and directors themselves. This role also includes responsibility for share option schemes, incentive performance packages, superannuation entitlements, retirement and termination entitlements, fringe benefit policies and professional indemnity and liability insurance policies. Remuneration levels are competitively set to attract the most qualified and experienced directors and senior executives. During the year all the Directors were members of the Remuneration Committee.

The directors and senior executives are all on fixed remuneration.

Remuneration Committee

The names of the members of the remuneration committee and their attendance at meetings of the committee are detailed in the directors' report.

There are no schemes for retirement benefits other than statutory superannuation for non-executive directors.

Principle 10 – Recognise the legitimate interest of stakeholders

The code of conduct referred to earlier in the corporate governance statement is designed to comply with the legal and other obligations of legitimate stakeholders and to foster a culture of compliance.

Information about the Company's corporate governance practices and policies is available on the Company's web site at www.garratts.com.au.

100th ANNUAL REPORT OF THE DIRECTORS

Your directors present their report on Garratt's Limited ("the Company") and its controlled entities for the financial year ended 30 June 2008.

DIRECTORS

The names of directors in office at any time during or since the end of the year are:

Neville Thomas Cleary
Christopher Elmore Campbell
Chiang Meng Heng

The directors have been in office since the start of the financial year to the date of this report.

COMPANY SECRETARY

Mrs Stephanie Noble held the position of company secretary at the end of the financial year. She was appointed company secretary on 27 November 2006. Mrs Noble is a fellow of the Association of Chartered Certified Accountants and holds an Honours Degree in Accounting.

PRINCIPAL ACTIVITIES

The principal activities of the economic entity during the course of the financial year were the provision of training and education services and the manufacture, import and sale of fasteners.

CONSOLIDATED RESULT

The consolidated profit from operations after income tax was \$6,008,413 (2007: \$317,691).

REVIEW AND RESULTS OF OPERATIONS

Education

Education contribution has increased by 354% to \$5,078,271 during the financial year. This included an adjustment of \$2,466,757 in respect of a change in accounting estimates.

Fasteners

The fasteners business recorded a contribution of \$925,501 (2007: \$576,680) an improvement of 60%. Revenue improved by 27.6% to \$8,757,704.

Thangathurai US Dollar Debt

The Company continues to pursue the recovery of this debt. Success, however, is not assured.

Keith Franklin Kennett, K. F. Kennett Nominees Pty Ltd and Myong Ho Pak

In August 2003, the Company was served summonses by Keith Franklin Kennett, K.F. Kennett Nominees Pty Ltd and Myong Ho Pak seeking relief and variation of a contract entered into for the purchase of the business of Excelsior College by Garratts and its subsidiary. Judgement was delivered on 27 May 2008. The Company's solicitors confirm that the plaintiffs' applications to vary or void the contract for the purchase of the business were dismissed. The Company was successful in defending the substantial elements of the claims.

Dividends Paid or Proposed

The fully franked dividend of a half a cent per share proposed at 30 June 2007 was paid on 15 October 2007.

An interim 70% franked dividend of one cent per share was paid on 18 March 2008. An additional unfranked dividend of one cent per share has been proposed.

FINANCIAL POSITION

The net assets of the economic entity have increased by \$5,649,718 since 30 June 2007.

STATE OF AFFAIRS

Apart from the substantial improvement in the results from operations, there were no significant changes in the state of affairs of the consolidated entity during the reporting period.

AFTER BALANCE DATE EVENTS

There are no matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the consolidated entity, the results of those operations, or the state of affairs of the consolidated entity in subsequent financial years.

FUTURE DEVELOPMENTS, PROSPECTS AND BUSINESS STRATEGIES

Reference is made in the Chairman's Report (Page 1) and the Group Managing Director's Review (Page 2) to the economic entity's future direction. No detailed information in respect of the economic entity's corporate strategies has been included, as directors believe that the disclosure of such information would be prejudicial to the interests of the Company.

ENVIRONMENTAL ISSUES

The economic entity is not subject to any significant environmental legislation.

INFORMATION ON DIRECTORS

Neville Thomas Cleary Qualifications/Experience	- Chairman (Independent & Non-Executive), since 2001. - Retired as a senior banker in 1992 after 43 years with the Commonwealth Bank of Australia.

Interest in Shares	- 24,941,886 shares (61.45%)
Special Responsibilities	- Member of the Audit and Remuneration Committees.
Directorships held in other listed entities	- Jasper Investments Limited, Orchard Parade Holdings Limited, Thakral Corporation Limited, Macquarie International Infrastructure Fund Limited, and Keppel Land Limited (all listed on the Singapore Stock Exchange).

REMUNERATION REPORT

Remuneration Policies

The Remuneration Committee reviews and makes recommendations to the Board on remuneration packages and policies applicable to the Managing Director, senior executives and directors themselves. This role also includes responsibility for share option schemes, incentive performance packages, superannuation entitlements, retirement and termination entitlements, fringe benefit policies and professional indemnity and liability insurance policies. Remuneration levels are competitively set to attract the most qualified and experienced directors and senior executives. During the year all the Directors were members of the Remuneration Committee.

The remuneration policy of the Company in respect of directors and senior executives is to ensure certainty of exposure of the Company to employees by agreeing a fixed salary for each director and senior executive. All executives receive a base salary, which is based on factors such as length of service and experience and superannuation (as required by law). Executives may sacrifice part of their salary to increase payments towards superannuation.

There are no bonus or performance-related components to remuneration, or options over unissued capital. The Company does not have an employee share option plan.

All remuneration paid to directors and executives is valued at the cost to the company and expensed.

The maximum aggregate amount of fees that can be paid to non-executive directors is subject to approval by shareholders at the Annual General Meeting. Fees for non-executive directors are not linked to the performance of the economic entity.

Key Management Personnel Remuneration

a. Key Management Personnel

The names of each person holding the position of director of Garratts' Limited at any time during the financial year were:

Neville Thomas Cleary (Chairman – Independent & Non-Executive).

Chiang Meng Heng (Director – Non-executive).

Christopher Elmore Campbell (Group Managing Director – Executive).

The names of each person holding the position of specified executive at any time during the financial year were :

Ivan James Mikkelsen (Director and General Manager - Premier Fasteners Pty Limited).

Gabriela Del Carmen Rodriguez Naranjo (Director – Academies Australasia Group of Companies and Skilled Placements Pty Limited)

Stephanie Ann Noble (Group Finance Manager and Group Company Secretary).

b. Key Management Personnel Remuneration

The remuneration for each director and each of the three specified executives of the consolidated entity receiving the highest remuneration during the year was as follows:

2008

Key Management Person	Short-term	Post- employment	Total
	Employee Benefits	Benefits	
	Cash, salary and commissions	Superannuation	
	\$	\$	\$
Christopher Elmore Campbell	235,000	65,000	300,000
Stephanie Ann Noble	88,000	7,380	95,380
Gabriela Del Carmen Rodriguez Naranjo	88,333	7,275	95,608
Ivan James Mikkelsen	183,486	16,514	200,000
	<hr/> 594,819	<hr/> 96,169	<hr/> 690,988

2007

Key Management Person	Short-term	Post- employment	Total
	Employee Benefits	Benefits	
	Cash, salary and commissions	Superannuation	
	\$	\$	\$
Christopher Elmore Campbell	235,000	65,000	300,000
Ian David Bloodworth	116,994	10,530	127,524
Stephanie Ann Noble	58,200	5,238	63,438
Gabriela Del Carmen Rodriguez Naranjo	79,040	6,334	85,374
Ivan James Mikkelsen	197,601	17,784	215,385
	<hr/> 686,835	<hr/> 104,886	<hr/> 791,721

c. Options issued as part of remuneration for the year ended 30 June 2008

No options were granted as part of remuneration.

d. Employment contracts of executives

The employment conditions of all executives are formalised in written contracts of employment. Generally, the employment contracts stipulate a one-month resignation period. Termination payments are generally not payable on resignation or dismissal for serious misconduct. In the instance of serious misconduct the company can terminate employment at any time.

Except in certain exceptional circumstances, Mr. Ivan James Mikkelsen's contract may be terminated by either Mr. Mikkelsen or Premier Fasteners Pty Limited giving to the other six months' notice.

MEETINGS OF DIRECTORS

The number of directors' meetings (including meetings of committees of directors) and the number of meetings attended by each of the directors of the Company during the financial year are:

<u>Director</u>	<u>Directors'</u> <u>Meetings</u>		<u>Audit</u> <u>Committee</u>		<u>Remuneration</u> <u>Committee</u>	
	<u>A</u>	<u>B</u>	<u>A</u>	<u>B</u>	<u>A</u>	<u>B</u>
Neville Thomas Cleary	4	4	2	2	2	2
Christopher Elmore Campbell	4	4	2	2	2	2
Chiang Meng Heng	4	4	2	2	2	2

A - Number of meetings held during the time the director held office during the period

B - Number of meetings attended

INDEMNIFICATION AND INSURANCE OF OFFICERS

The Company's Articles of Association provides an indemnity to officers of the Company. The Company is required to pay all costs, losses and expenses that an officer may incur by reason of any contract entered into or act or thing done by them in the discharge of their duties except where they act dishonestly.

The Company has also paid an insurance premium in respect of a directors and officer's liability insurance policy covering the directors and officer's liabilities as officers of the Company. It has also taken out "key man" insurance policies. The premium and nature of the liabilities covered by the policies are not to be disclosed under the terms of the policies.

OPTIONS

No options have been issued on the Company's shares.

PROCEEDINGS ON BEHALF OF THE COMPANY

Apart from the action by Keith Franklin Kennett, K.F. Kennett Nominees Pty Ltd and Myong Ho Pak referred to earlier, no person has applied for leave of the court to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or any part of these proceedings. The Company was not a party to any such proceedings during the year.

NON-AUDIT SERVICES

The Board of Directors, in accordance with advice from the Audit Committee, is satisfied that the provision of non-audit services during the year is compatible with the general standard of independence of auditors imposed by the Corporations Act 2001. The Directors are satisfied that the services disclosed below did not compromise the external auditor's independence for the following reasons:

- All non-audit services are reviewed and approved by the Audit Committee.
- The nature of services provided does not compromise the general principles relating to audit independence.

The following fees were paid or payable for non-audit services to the external auditors during the year ended 30 June 2008:

- | | |
|---------------------|----------|
| • Taxation services | \$12,000 |
| • Other services | \$18,500 |

AUDITOR'S INDEPENDENCE DECLARATION

The Auditor's Independence Declaration for the year ended 30 June 2008 has been received and can be found on page 16.

Signed in accordance with a resolution of the Board of Directors.

Neville Cleary
Director

Christopher Campbell
Director

1 September 2008

**AUDITORS INDEPENDENCE DECLARATION
UNDER SECTION 307C OF THE CORPORATIONS ACT 2001
TO THE DIRECTORS OF GARRATTS LIMITED**

I declare that to the best of my knowledge and belief, during the year ended 30 June 2008 there have been:

1. no contraventions of the auditors' independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
2. no contraventions of any applicable code of professional conduct in relation to the audit.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**

For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report covers the economic entity of Garratt's Limited and controlled entities, and Garratt's Limited as an individual parent entity. Garratt's Limited is a listed public company, incorporated and domiciled in Australia.

The financial report of Garratt's Limited and controlled entities, and Garratt's Limited as an individual parent entity comply with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

The accounting policies set out below have been consistently applied to all years presented.

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

Accounting Policies

a. Principles of Consolidation

A controlled entity is any entity Garratt's Limited has the power to control the financial and operating policies of so as to obtain benefits from its activities.

A list of controlled entities is contained in Note 14 to the financial statements. All controlled entities have a June financial year-end.

All inter-company balances and transactions between entities in the economic entity, including any unrealised profits or losses, have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistencies with those policies applied by the parent entity.

Where controlled entities have entered or left the economic entity during the year, their operating results have been included/excluded from the date control was obtained or until the date control ceased.

b. Income Tax

The charge for current income tax expense is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using the tax rates that have been enacted or are substantially enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**
For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Garratt's Limited and its wholly-owned Australian subsidiaries have formed an income tax consolidated group under the tax consolidation regime. Each entity in the group recognises its own current and deferred tax liabilities, except for any deferred tax liabilities resulting from unused tax losses and tax credits, which are immediately assumed by the parent entity. The current tax liability of each group entity is then subsequently assumed by the parent entity. The group notified the Australian Tax Office that it had formed an income tax consolidated group to apply from 1 July 2003. The tax consolidated group has entered a tax sharing agreement whereby each company in the group contributes to the income tax payable in proportion to their contribution to the net profit before tax of the tax consolidated group.

c. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct materials, direct labour and an appropriate portion of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on the basis of weighted average costs.

Where the book value of stock items exceeds the net realisable value, a provision for diminution in value is raised.

d. Plant and Equipment

Plant and equipment are measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets including capitalised lease assets is depreciated on a straight-line or a diminishing value basis over their useful lives to the economic entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**

For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Leasehold improvements	12.5 – 22.5%
Plant and equipment	7.5 – 40%
Leased plant and equipment	5 – 25%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

e. Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to entities in the economic entity, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

f. Financial Instruments

Recognition and Initial Measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument. Trade date accounting is adopted for financial assets that are delivered within timeframes established by marketplace convention.

Financial instruments are initially measured at fair value plus transactions costs where the instrument is not classified as at fair value through profit or loss. Transaction costs related to instruments classified as at fair value through profit or loss are expensed to profit or loss immediately. Financial instruments are classified and measured as set out below.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**
For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Classification and Subsequent Measurement

i. *Financial assets at fair value through profit or loss*

Financial assets are classified at fair value through profit or loss when they are held for trading for the purpose of short term profit taking, where they are derivatives not held for hedging purposes, or designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Realised and unrealised gains and losses arising from changes in fair value are included in profit or loss in the period in which they arise.

ii. *Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

iii. *Held-to-maturity investments*

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the group's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

iv. *Available-for-sale financial assets*

Available-for-sale financial assets are non-derivative financial assets that are either designated as such or that are not classified in any of the other categories. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

v. *Financial Liabilities*

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

Derivative instruments

The group has no derivative instruments at reporting date.

Fair value

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

Financial Guarantees

Where material, financial guarantees are issued, which require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due, are recognised as a financial liability at fair value on initial recognition. The guarantee is subsequently measured at the higher of the best estimate of the obligation and the amount initially recognised less, when appropriate, cumulative amortisation in accordance with AASB 118: Revenue. Where the entity gives guarantees in exchange for a fee, revenue is recognised under AASB 118.

The fair value of financial guarantee contracts has been assessed using a probability weighted discounted cash flow approach. The probability has been based on:

- the likelihood of the guaranteed party defaulting in a year period;
- the proportion of the exposure that is not expected to be recovered due to the guaranteed party defaulting; and
- the maximum loss exposed if the guaranteed party were to default.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**
For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

g. Impairment of Assets

At each reporting date, the group reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

Where it is not possible to estimate the recoverable amount of an individual asset, the group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Collectibility of trade debtors is reviewed on an ongoing basis. Debts are written off when they are known to be uncollectible. A provision for doubtful debts is raised where some doubt as to collection exists and is the difference between the total amount owing and the amount expected to be recovered.

h. Intangibles - Goodwill

Goodwill and goodwill on consolidation are initially recorded at the amount by which the purchase price for a business or for an ownership interest in a controlled entity exceeds the fair value attributed to its net assets at date of acquisition. Goodwill on acquisitions of subsidiaries is included in intangible assets. Goodwill on acquisition of associates is included in investments in associates. Goodwill is tested annually for impairment and carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

i. Foreign Currency Transactions and Balances

Foreign currency transactions are translated into Australian currency (the functional currency) using the exchange rates prevailing at the date of the transaction. Foreign currency monetary items are translated at the year-end exchange rate. Non-monetary items measured at historical cost continue to be carried at the exchange rate at the date of the transaction. Non-monetary items measured at fair value are reported at the exchange rate at the date when fair values were determined.

j. Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

k. Provisions

Provisions are recognised when the group has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**

For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

l. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of one month or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

m. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive a dividend has been established. Dividends received from associates and joint venture entities are accounted for in accordance with the equity method of accounting.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

n. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in income in the period in which they are incurred.

o. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

p. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
CASH FLOW STATEMENT**

For the year ended 30 June 2008

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

q. Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the group. These changed estimates and judgements are considered significant items of revenue and expenses relevant in explaining the financial performance.

Key Estimates - Impairment

The group assesses impairment at each reporting date by evaluating conditions specific to the group that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates. No impairment has been recognised in respect of goodwill for the year ended 30 June 2008.

Key Judgements — Revenue Recognition

Due to the change in relative cost structures, the group has reviewed the expected future benefits and obligations associated with tuition fees and related prepaid commissions. This has resulted in a change in accounting estimates in respect of these two items, which has been recognised in the financial statements as from 1 July 2007. The amount of this change (exclusive of income tax) has increased revenue and decreased trade payables by \$3,251,654; and increased expenses and decreased prepayments by \$784,897. The directors consider it impracticable to estimate the effects of such change for future accounting periods.

Key Judgements — Loan Impairment

Due to the improved results of the subsidiaries, the parent entity has reviewed the assessment of impairment of the amounts owed by subsidiaries. Accordingly, the amount of the impairment of \$4,483,964 has been reversed, resulting in an increase in other receivables and an increase in profit of the parent entity for the year.

Key Judgements — Deferred Tax Asset

In the year ended 30 June 2008 the group recognised a deferred tax asset of \$1,173,170 in the financial statements. The directors consider that it is probable that future taxable profits will be available against which any unused tax losses and unused tax credits can be utilised.

Economic entity: Year ended 30 June 2007			
Balance at the beginning of the year	2,860,189	670	2,860,859
Additions	45,000	-	45,000
Carrying amount at the end of the year	2,905,189	670	2,905,859

Impairment Disclosures

Goodwill is allocated to cash-generating units, based on the group's reporting segments.

	2008	2007
	\$	\$
Fasteners segment	1,375,382	1,375,382
Education segment	1,529,807	1,529,807
Total	2,905,189	2,905,189

The recoverable amount of each cash-generating unit is determined based on value-in-use calculations. Value-in-use is calculated based on the present value of cash flow projections over a 5-year period. The cash flows are discounted using a rate adjusted for the risk inherent in the business of the segment.

The following assumptions were used in the value-in-use calculations:

	Growth Rate	Discount Rate
Fasteners segment	16.5%	12%
Education segment	13.5%	12%

Management has based the value-in-use calculations on budgets for each reporting segment. These budgets use management estimates based on historical growth rates to project revenue. Costs are calculated taking into account historical gross margins as well as estimated inflation rates. Discount rates are pre-tax.

a. Provision for Long-term Employee Benefits

A provision has been recognised for employee entitlements relating to long service leave. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based on historical data. The measurement and recognition criteria relating to employee benefits, has been included in Note 1 to this report.

		14,219,836	14,172,625	14,219,836	14,172,625

Ordinary share capital

Balance at the beginning of the financial year		12,539,836	12,539,836	12,539,836	12,539,836
16,800,000 convertible notes converted to ordinary shares on 10 January 2008	21b	1,680,000	-	1,680,000	-
		14,219,836	12,539,836	14,219,836	12,539,836

a. Shares disclosure

Ordinary shares participate in dividends and the proceeds on winding up of the parent entity in proportion to the number of shares held.

At a shareholders meeting each ordinary share is entitled to one vote when a poll is called. Otherwise, each shareholder has one vote on a show of hands.

Equity component of convertible notes

Balance at the beginning of the financial year		-	-	12,539,836	12,539,836
16,800,000 convertible notes issued at 10 cents each with effect from 7 October 2005, converted to ordinary shares on 10 January 2008.	21b	-	1,632,789	-	1,632,789
		-	1,632,789	-	1,632,789

b. Convertible notes.

On 10 January 2008 all the 16,800,000 Convertible Notes issued in 2005 to parties in which Mr Chiang Meng Heng had a relevant interest (14,000,000) and Mr Christopher Campbell had relevant interests (2,800,000) were converted to ordinary shares in Garratt's Limited.

The 16,800,000 ordinary shares arising from the conversion of the Notes were listed on the Australian Stock Exchange on 14 January 2008.

c. Capital Management.

Management controls the capital of the group in order to maintain a good debt to equity ratio, provide the shareholders with adequate returns and ensure that the group can fund its operations and continue as a going concern.

The group's debt and capital includes ordinary share capital and financial liabilities, supported by financial assets.

There are no externally imposed capital requirements.

Management effectively manages the group's capital by assessing the group's financial risks and adjusting its capital structure in response to changes in these risks and in the market. These responses include the management of debt levels, distributions to shareholders and share issues.

The company earned a significant profit in the current year and has taken the opportunity of using those resources to significantly reduce debt and strengthen the balance sheet. The company has also taken a decision to recommence its dividend payments to shareholders.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
NOTES TO THE FINANCIAL STATEMENTS**

For the year ended 30 June 2008

	Note	ECONOMIC ENTITY		PARENT ENTITY	
		2008 \$	2007 \$	2008 \$	2007 \$
22. LEASING COMMITMENTS					
Lease purchase commitments					
Payable – minimum lease payments					
Not later than one year		38,098	44,950	-	-
Later than one year but not later than five years		20,896	57,268	-	-
Minimum lease payments		58,994	102,218	-	-
Less future finance charges		6,489	11,820	-	-
Present value of minimum lease payments	19a	52,505	90,398	-	-

At the end of the lease periods the lessor's charges over the plant and equipment cease, leaving the assets the unencumbered property of the economic entity.

Operating Lease commitments

Non-cancellable operating leases contracted for but not capitalised in the financial statements:

Not later than one year		1,183,554	1,150,573	-	-
Later than one year but not later than five years		5,017,120	3,614,479	-	-
Later than five years		3,296,575	4,208,014	-	-
		9,497,249	8,973,066	-	-

The economic entity leases property under operating leases expiring from 1 year to 9 years. Lease payments comprise a base amount plus an incremental rental, based on either movement in the Consumer Price Index or minimum percentage increase criteria. On 1 July 2008 the Company signed a 5-year lease for premises at No. 1 and No. 3 Ladbroke Street, Milperra.

23. CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Contingent Liabilities

Guarantees

The following group companies have issued guarantees in respect of the parent entity as security for its bank facilities.

Academies Australasia Pty Limited
Academies Australasia Management Pty Limited
Clarendon Business College Pty Limited
Skilled Placements Pty Limited (formerly Multimedia Investments Pty Limited)
Premier Fasteners Pty Limited
Supreme Business College Pty Limited

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
NOTES TO THE FINANCIAL STATEMENTS**

For the year ended 30 June 2008

23. CONTINGENT LIABILITIES AND CONTINGENT ASSETS (continued)

The following group companies have issued guarantees in respect of Premier Fasteners Pty Limited as security for its bank facilities.

Garratt's Limited
Academies Australasia Pty Limited
Academies Australasia Management Pty Limited
Clarendon Business College Pty Limited
Skilled Placements Pty Limited (formerly Multimedia Investments Pty Limited)
Supreme Business College Pty Limited

As at 30 June 2008 these facilities had been repaid. As at 30 June 2007 the guarantee provided by Garratt's Limited in respect of the above bank facilities was calculated to be nil as a result of the application of the probability discounted cash flow approach to the obligations.

Thanga Thangathurai Debt

In December 2003, the Company filed a claim in the Superior Court of California, County of Sonoma, USA, against Mary Lynn Thangathurai ('MLT') for US\$1,900,000 plus costs, interest, attorney's fees, and other amounts. MLT is the surviving spouse of the late Thanga Thangathurai. The action is being brought against her pursuant to, among other laws, the California Probate Code that provides, inter alia, that upon the death of a married person, the surviving spouse is personally liable for the debts of the deceased person in relation to certain property.

The realisation of this benefit is dependent upon a successful outcome of the litigation exercise or, alternatively, a suitable settlement being agreed between the parties.

Contingent Assets

The Company has been a party to long running litigation in respect to the purchase of the business of Excelsior College in 2002. Judgement in the proceedings was delivered on 27 May 2008. The Company's solicitors confirm that the plaintiffs' applications to vary or void the contract for the purchase of the business were dismissed. The Company was successful in defending the substantial elements of the claims.

The matter of costs of the proceedings is yet to be resolved. The Company has been advised that an order for costs is expected to be made in its favour and that there is a possibility of recovery of those costs against the plaintiffs (if they have sufficient assets and means) and/or their legal advisors (if the appropriate orders are sought and obtained from the Court which requires further litigation and expense to be incurred). However as with all litigation, the valuation of such a claim and likelihood of recovery of any costs order cannot be quantified within the required level of precision for it to be recognised as an asset. It is however, possible to quantify the Company's litigation costs, which were \$400,000 paid over the last five financial years. The recovery of these costs (or some part of them) is dependant upon obtaining the appropriate cost orders and being able to successfully prosecute and recover those orders against the plaintiffs and/or their legal advisors, which are matters that are currently being discussed with our advisors.

	\$	\$
Interest paid to Directors and Director related entities		
Convertible notes	8,883	16,800
Other	-	12,556
	8,883	29,356

Details of Directors' remuneration are set out in the Remuneration Report section of the Directors' Report. Directors are reimbursed for expenses incurred by them on behalf of the economic entity.

Directors' and specified executives' relevant interests in shares

Details of Directors' relevant interests in shares are set out in the Directors' Report.

Other related party transactions

Transactions between the Company and controlled entities include loans, management fees and interest. Details of these transactions and the amounts owing at balance date are included in Notes 2, 3, 5 and 19.

**GARRATT'S LIMITED
AND CONTROLLED ENTITIES
NOTES TO THE FINANCIAL STATEMENTS**

For the year ended 30 June 2008

28. FINANCIAL INSTRUMENTS

a. Financial Risk Management

The group's financial instruments consist mainly of deposits with banks, accounts receivable and payable, loans to and from subsidiaries, bills, leases and convertible notes.

The main purpose of non-derivative financial instruments is to raise finance for group operations.

i. Treasury Risk Management

Senior management meet on a regular basis to review currency and interest rate exposure and to evaluate treasury management strategies where relevant, in the context of the most recent economic conditions and forecasts.

ii. Financial Risks

The main risks the group is exposed to through its financial instruments are interest rate risk, foreign currency risk, liquidity risk, credit risk and price risk.

Interest rate risk

Interest rate risk is managed with a mixture of fixed (short-term bills) and floating rate debt. At 30 June 2008 approximately 1.5% (2007 18%) of group debt was fixed. There is no set policy as to the mix between fixed and floating rate debt.

Foreign currency risk

The economic entity is exposed to foreign currency risk on its purchase of products and the sale of training and education courses to international students. The economic entity had not hedged foreign currency transactions as at 30 June 2008. Senior management continue to evaluate this risk on an ongoing basis.

Liquidity risk

Liquidity risk is managed by monitoring forecast cash flows and ensuring that adequate unutilised borrowing facilities are maintained, where possible.

Credit risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements. In the education business, credit risk is minimised by, generally, collecting tuition fees in advance. In the fastening business credit risk is minimised by, wherever possible, only granting credit to customers with a good payment record.

Price risk

In respect of the fastening business, the price of wire is constantly monitored. The company does not currently hedge the prices at which it purchases wire.

b. Financial Instruments

i. Interest Rate Risk

The economic entity's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on classes of financial assets and financial liabilities, is as follows:

**GARRATT'S LIMITED

DIRECTORS' DECLARATION

The directors of the Company declare that:

1. the financial statements and notes, set out on pages 17 to 48, are in accordance with the Corporations Act 2001 and:
 - (i) comply with Accounting Standards and the Corporations Regulations 2001; and
 - (ii) give a true and fair view of the financial position as at 30 June 2008 and of the performance for the year ended on that date of the Company and economic entity.
2. the Chief Executive Officer and Chief Financial Officer have each declared that:
 - (i) the financial records of the company for the financial year have been properly maintained in accordance with Section 286 of the Corporations Act 2001;
 - (ii) the financial statements and notes for the financial year comply with the Accounting Standards; and
 - (iii) the financial statements and notes for the financial year give a true and fair view.
3. in the directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

The company and the following wholly owned subsidiaries have entered into a deed of cross guarantee under which the company and its subsidiaries guarantee the debts of each other.

Academies Australasia Pty Limited
Academies Australasia Management Pty Limited
Clarendon Business College Pty Limited
Premier Fasteners Pty Limited
Skilled Placements Pty Limited (formerly Multimedia Investments Pty Limited)
Supreme Business College Pty Limited

At the date of this declaration, there are reasonable grounds to believe that the companies which are party to this deed of cross guarantee will be able to meet any obligations or liabilities to which they are, or may become subject to, by virtue of the deed.

This declaration is made in accordance with a resolution of the Board of Directors.

Neville Cleary
Director

Christopher Campbell

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF GARRATT'S LIMITED

Report on the Financial Report

We have audited the accompanying financial report of Garratt's Limited (the company) and Garratt's Limited and controlled entities (the consolidated entity), which comprises the balance sheet as at 30 June 2008, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the year's end or from time to time during the financial year.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101: *Presentation of Financial Statements*, that compliance with the Australian equivalents to International Financial Reporting Standards (IFRS) ensures that the financial report, comprising the financial statements and notes, complies with IFRS.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's Opinion

In our opinion:

- a. the financial report of Garratt's Limited and Garratt's Limited and controlled entities is in accordance with the *Corporations Act 2001*, including:
 - i. giving a true and fair view of the company's and consolidated entity's financial position as at 30 June 2008 and of their performance for the year ended on that date; and
 - ii. complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*; and
- b. the financial report also complies with International financial Reporting Standards as disclosed in Note 1.

Report on the Remuneration Report

We have audited the Remuneration Report of Garratt's Limited included in pages 11 to 13 of the directors' report for the year ended 30 June 2008. The directors of the company are responsible for preparation and presentation of the Remuneration Report in accordance with section 300A of the *Corporations Act 2001*. Our responsibility is to express an opinion on the Remuneration Report based on our audit conducted in accordance with Australian Auditing Standards.

Auditor's Opinion

In our opinion the Remuneration Report of Garratt's Limited for the year ended 30 June 2008 complies with section 300A of the *Corporations Act 2001*.
